

COGNITIVE QUEST 2D

Master NPC Dialogue & Quest Script Reference
All Quarters (1 to 4) & All Maps (1 to 12)

Educational Core & Gesture-Driven System:

- **Target Audience:** Early Grade School (Grades 1-2 Elementary Mathematics & Logic)
- **Proximity Trigger:** Walking near an NPC smoothly triggers their dialogue box.
- **Fist Closed Gesture:** Holding a closed fist for 0.9s (or Click/Spacebar) loads the dynamic question from the database.
- **Pedagogical Feedback:** Awards quest pieces on correct answers; offers hints & retries on incorrect answers; reveals concepts when out of tries.
- **Mentor Minigames:** Collecting all 5 station items unlocks the stage puzzle and goal portal.

- > 1. **Proximity Trigger:** Player walks close to an NPC $\rightarrow$ Dialogue box smoothly opens.
- > 2. **Fist Closed Gesture (or Click/Spacebar):** Player holds a closed fist for 0.9s $\rightarrow$ Pops up the **Dynamic Question** from the Database.
- > 3. **Answer Selection (Hover + Fist Closed):**
 - > - **Wrong (Attempt 1):** Encouraging retry prompt without specific hints ("Hmm, not quite! Try again.") $\rightarrow$ 1 try remaining.
 - > - **Out of Tries:** Encouraging line + reveals correct answer + grants stage item so quest continues.
 - > - **Correct:** Praise dialogue + Quest reward granted + Progress updates on HUD.
- > 4. **Mentor / Altar Minigame:** Once all 5 station items are collected, talk to the Stage Mentor to solve the stage puzzle and unlock the Goal Portal.

■ Act 0: The Awakening (Stage Select Hub / Global Intro)

Setting: The Stage Select Hub. The Student is walking past the glowing quarter portals when the Old Man (Mentor Wizard) appears.

Old Man:

"Stop right there!"

Student:

"Huh? Why?"

Old Man:

"I see in you such greatness! Someday you will do these lands great good. But only when trained. For now, it is only potential."

Student:

"What shall I do?"

Old Man:

"Come! Come! Join me in my realm. Enter this portal and let's train your mind. You shall learn the ways of math! You see, it is like magic, but it runs on logic instead of spells!"

Student:

"That's amazing! I want to learn!"

Old Man:

"I like your enthusiasm! Follow me into the portal!"

■ QUARTER 1: GEOMETRY FOREST

[Feedback - Correct]:**Diamond Guardian:**

"Brilliant! The bridge across the river is now fully built! Cross over and speak to the Old Man!"

■■■■ Old Man NPC (Map 1 Exit Clearing)

[If Approached Before Bridge is Built]:

Old Man:

"Halt, young traveler! Beyond this point lies the portal.
But to pass, you must build the bridge first and answer my riddle!
Go back and solve the shape puzzles in the forest."

```
[If Bridge is Complete]:
```

Old Man:

"Ah! You have crossed the Bridge of Shapes! But before the portal opens, you must prove your wisdom. Hear my riddle:

```
*(This will be randomized from 10 shape riddles in the database)*
```

→ Choices: [A] [B] [C] [D]

[If Wrong Riddle Choice]:

Old Man:

"That is incorrect, young adventurer! Think carefully and try again."

[If Correct Riddle Choice]:

Old Man:

"Outstanding, young adventurer! You have built the bridge and solved my riddle! You may now enter the portal and proceed on your quest. Safe travels!"

■ GRAND VICTORY REPORT CARD SPEECH

(Delivered by Old Man / Grand Mentor upon beating all 4 Quarters)

Old Man:

“Hail, Master Mathematician [Player Name]!

Look how far you have journeyed:

- You built bridges and solved geometric riddles in the Geometry Forest!
- You united communities through fair trade and Bayanihan in Barangay Kalye!
- You unlocked ancient treasures in the Monetary Desert!
- And you brought harmony to the depths of the Water Temple!

You have discovered the greatest truth of all:

Math is the ultimate magic, and with logic, courage, and perseverance, there is no problem in this world you cannot solve!

Congratulations on completing Cognitive Quest!”
